

FORESTRY LICENSE PLATE NOW AVAILABLE

A special license plate is now available promoting forestry in Kentucky. The plate has already been approved by the state and the association is in the process of collecting the 900 forms required for the plate to be made. Below is the application and sample of the plate. The plate was complimentary designed by Kirby Stephens, Kirby Stephens Design (www.ksdweb.com). The plate will promote forestry while raising funds for Log a Load for Kids and the William H. Steele Scholarship Fund.

To apply for a plate simply fill out the application below and return with a check for \$25 made payable to the KFIA Foundation– Log A Load for Kids to the association office. Each plate ordered must have an application filled out and payment must be submitted. Copies of the forms can be made to order additional plates. Once 900 applications are received, the forms will be sent to the state and a card will be issued telling the applicant the plate is available at the your local county clerk office. At the time the plate is ready the applicant will pay any remaining county clerk fees and can make a voluntary donation. Voluntary contributions will go to the Log A Load for Kids and the William H. Steele Scholarship Fund. If you have any questions, please contact the KFIA Office at 502/695-3979.

Make Checks Payable to: KFIA Foundation– LAL for Kids

Return application(s) and check to: KFIA, 106 Progress Drive, Frankfort KY 40601
